1. I am the plaintiff in the above captioned case. I submit this declaration in support of Plaintiff's Response to Court Order of Apr 17, 2007. I have personal knowledge of the information set forth herein, and if called upon to testify, I would and could competently testify thereto.

a. Sometime ago, I was diagnosed with hypoglycemia and a stress induced adrenal gland problem by Dr Thomas Conklin Sr, DO (Doctor of Osteopathy), 109 W. Main, Stigler, Oklahoma phone 918-907-2130 with a recommended sugarless diet and avoidance of stress.

b. During the last year or so while undergoing the extensive stress of the issues in my complaint and the resulting litigation now before the Court, I have experienced general fatigue reaction, diarrhea, coughing spasms, dizziness, and easy chilling. Dr Lachman diagnosed the reoccurrence of the adrenal gland fatigue/syndrome and now a liver problem and is treating me for it by a strict diet, rest, mild exercise, herbs, vitamins, homeopathic remedies, avoid stress, etc.

c. I furthermore am undergoing some tests for adrenal gland fatigue by the Genova Diagnostics Laboratories, 63 Zillicoa St, Asheville, NC 28801, phone 828-285-2223.

d. To further address the diarrhea and coughing problems (although they can be and probably are due to a reoccurrence of the adrenal gland problem and stress), I am having some tests for a diagnosis for possible allergy by Dr Timothy R. Bonine, MD, an

allergy specialist, 1309 Ponderosa Dr, Suite 103, Standpoint, ID 83864, phone 208-265-9545.

e. In the coming days, I expect to also have a further diagnosis by a Endocrinologist specialist.

I declare under the penalty of perjury under the laws of the United States of America that the foregoing is true and correct to the best of my knowledge and belief.

Dated this 29th day of APRIL 2007 at Calder, Idaho.
